Timed tours last approximately 1 hour.

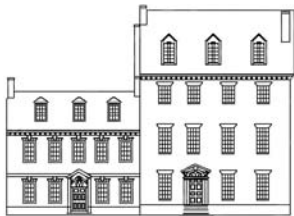

Great Family and Scout activity!

\$6 per person (ages 5 and up)

\$3 Swordsmen's Rendezvous Patch

En garde! During the 18th century, traveling sword masters used taverns to teach local townspeople the latest in fencing and swordplay techniques. Today, costumed guides lead lively discussions and demonstrations on 18th-century swordplay, edged weapons and modern fencing techniques. Suitable for everyone 1st grade and older—adults will have fun too!—the program includes some audience participation as you practice your new-found talents. *Reservations are required.*
